1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

2. The application has been amended as follows:

Non-elected claims 1-27 and 35-48 have been canceled.

3. The following is an examiner's statement of reasons for allowance: none of prior art of record taken alone or in combination shows a voltage regulation apparatus for use on an integrated circuit device, comprising an automatic process identifier configured to identify a process split of the device, a memory circuit coupled to the automatic process identifier, the memory circuit configured to store data comprising target voltages for different process splits, a processing unit, a power supply, and a voltage regulator circuit coupled to the memory circuit and to the power supply, the regulator configured to adjust the power supply value according to the automatic process identifier and the memory circuit, the adjusted power supply causing the processing unit to operate substantially at a target frequency as recited in claims 28-34; or an integrated circuit device comprising a processing unit, process identification means for identifying the process split of the integrated circuit, memory means for storing characterization data of the family of integrated circuit devices to which the integrated circuit device belongs, means for determining the characterization data for

the integrated circuit device using the memory means and the process identification means, and voltage regulation means for adjusting the supply voltage using the characterization data for the integrated circuit device to achieve a desired target frequency of operation for the processing unit as recited in claims 49 and 50.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
